Nash

Nash 5th-Wheels and Travel Trailers offer a spacious galley work area for food preparation. All coaches feature an extra large range, a 22" broiler/oven and range hood with overhead light and exhaust fan. All galleys are pre-wired for a microwave oven. Self edge counters and dinette are standard, and a free-standing dinette set is a popular option. We provide ample storage in overhead cupboards, under counter cabinets, shelves, and drawers. Nash Travel Trailers and 5th-Wheels are rated the safest and most durable coaches in their class. Whether you're hunting, camping, working or adventuring, you'll find every floor plan is innovative, practical and comfortable.

Choose a Jackknife/Flip sofa, or a Hide-a-Bed in addition to the full size bed included in most plans. Every Nash interior is available in a variety of beautiful designer colors and fabrics. All Nash coaches are pre-wired for TV antenna, cable TV with a park receptacle and roof air conditioning. We focus special emphasis on features designed to provide strength and durability. All models use plywood and solid wood rather than strand or flake board. Our floors are constructed with exterior grade tongue and groove plywood similar to residential construction. The truss roof system is topped and sealed by laminating the one-piece rubber roof to 3/8" plywood. The chassis is built with structural I-Beam or channel and we apply double primed welds coated with Rustoleum® paint for protection from rusting.

Nash Travel Trailers and 5th Wheels Combine All the Comfo

Structural Steel Chassis

Additional Welds Create Camber in the Chassis for Greater Load Carrying Capacity

Welded & Bolted Retractable Stairway

Welded LP /Battery Rack Sliding Battery Tray on 5th Wheels (most models)

Roto-Molded Wheel Skirts

Dual #30 or #40 LP Tanks

Rustoleum Brand Finish

Chrome Beauty Rims, Lug Nuts, Hub Covers and Mud Flaps

2,000 LB Tongue Jack

Shock Mounts-All Wheels (Except 17C)

Built-In Black Water Flush System available

Diamond Plate Protection (5th Wheel Model Shown)

Extra Large Holding Tanks

Up to:

77gal Fresh
46gal Black
56gal Gray

many competitors tanks are less than 1/2 the size!

Fully Insulated Tank Compartment (Not available in 17C)

Interior Holding Tank Monitor Panel

All of our holding tanks are suspended above the insulated tank compartment. This creates an air space for proper flow of warm air from the forced air duct system. That's why the Nash is considered a true **Four Seasons Coach**.

Our bathrooms include larger sinks and mirrored cabinets, We also offer plans with options such as vented shower skylights and bathroom windows in many models. You'll enjoy extra large freshwater, grey and solid waste tanks which allow you to maximize your time between dumping stations. The water tank and holding tanks are enclosed under the floor and are heated by the furnace for freeze resistant winter use. (Note: The 17C model is not available with heated holding tanks).

While open, the optional Hide-Away shower screen completely stows away for access to the shower/tub...

Spacious Kitchen Galley Work Area w/ Wood Grain Panel Cabinet Doors

When in use, the translucent screen allows the shower skylight (optional) to illuminate the bathroom area

Overhead compartments feature beveled mirrors and radius finish edges. All models include mini-blinds, privacy pull shades and coordinating valance/soft lambrequin treatments on windows. Windows are radius cornered and have interior fasteners for your security. R-7 insulation is standard in all walls and floors with an R-18 insulation blanket in the ceiling.

Each Travel Trailer and 5th-Wheel is equipped with extra large freeze resistant water lines and 4- 1/2 inch sewer hose carrier bumper. Nash trailers have larger tire sizes and heavier axles which make them exceptionally well suited to off road adventuring. Electric four wheel brakes, chrome lug nuts and wheel centers are standard features adding to the safety and beauty of every Nash Travel Trailer and 5th-Wheel. Another available feature is the convenient black water flush system. Dual 40 pound LPG bottles with automatic changeover is standard on many models. Retractable entry steps, a flush mount entry door lock complete with deadbolt and screen door are standard convenient security features. Look over the specifications, and notice the care Nash has taken to assure that quality, high-end components are built into every Nash Travel Trailer and 5th-Wheel. Now you can finally give your family the home away from home they truly deserve. **...Come home to Nash!**
