"We welcome you to the Camping Comforts of Arctic Fox 5th Wheels and Travel Trailers"

Ron and Sherry Nash

Functional, Stylish and Comfortable...

Arctic Fox 27T with Emerald Interior

Arctic Fox Fifth Wheels and Travel Trailers capture all of these important considerations in every coach. All of our designs from floor plan to finish, are engineered and detailed with your traveling pleasure and convenience in mind. We know you are going to love the 2007 Arctic Fox!.. We invite you to take a look!

Northwood coaches are built to withstand off-road travel and provide you with all the comforts of home. This year's Arctic Foxes are no exception. We are constantly improving our construction methods and upgrading our interior amenities.

Attractive and Off-Road Tough

Arctic Fox

We've added some exceptional new features to the 2007 Arctic Fox. We understand the importance of building coaches that are insulated for all weather conditions and durable enough for extended cross-country travel.

All Foxes have thick insulation in the ceiling, floor and walls, so you will be protected from extreme temperatures in all seasons.

*That's why Arctic Fox has earned a **Four Season Rating**. If you're looking for year 'round comfort, choose Arctic Fox! From frame to finish, you will see the pride of workmanship reflected in our coaches.*

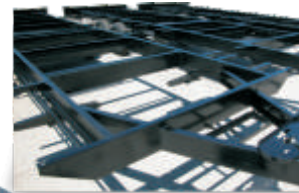

Arctic Fox 27T with Emerald Interior

Our structural steel chassis is designed for load capacity well beyond the weight of the coach and your belongings. Structural steel chassis frames (C-channel smaller units – "I" beam for super slide models) are engineered for superior strength and structural integrity specific for each model. Our trailers won't sag with age like many other competitors models. Exterior grade plywood floors (not strand board) with plenty of steel cross members in the frame, provide superior strength and resilience to the coach.

Structural Steel Chassis

Rustoleum Brand Finish

Additional Welds Create Camber in the Chassis for Greater Load Carrying Capacity

Extra Large Holding Tanks

One Inch Thick Insulated/Locking Exterior Storage Compartment Doors

Large Capacity Exterior Access Storage

Compartment With Top Quality Automotive Weather Seals Around All Storage Doors All Metal Latches, Metal Catches and Metal Pulls on Doors

Interior Holding Tank Monitor Fully Insulated Tank Compartments

Up to:
77gal Fresh
46gal Black
56gal Gray
many competitors tanks are less than 1/2 the size!

Dual #30 or #40 LP Tanks

2,000 LB Tongue Jack

STANDARD ON ALL ARCTIC FOX

- Ex. Lg. 22" Range w/ Broiler
- AM/FM CD Player
- Kitchen Skylight
- Marine Toilet w/Foot Pedal
- Large Lavy Bowl
- Smoke Detector
- LPG Leak Detector
- CO Detector
- Fire Extinguisher
- GFI Circuit Protection
- Large Folding Assist Handle
- Vented/Emergency Exit
- 3 Speed Reversible Fan Vent

All Northwood coaches have one of the highest highway safety ratings in the industry. Our durable one piece laminated hardwall surfaces are easy to maintain and are resistant to flying road debris, chips and dents. The tough diamond plate rockguard on small travel trailers and diamond plate bumper wrap, are tough, attractive and built to last. Fiberglass front and rear caps come standard on larger Fox models.

The straight axles provide extra ground clearance for off-road use and axle placement is engineered to offer the perfect balance for your tow vehicle and we include shock absorbers at every wheel. We use high performance tires with appropriate load ranges for maximum carrying capacity and safety. Retractable non-skid double steps or triple steps and folding, padded safety hand rails, provide safe and easy access.

Arctic Fox 26X with Nutmeg Interior

Arctic Fox 29-5T with Nutmeg Interior

FIFTH WHEELS AND TRAVEL TRAILERS

Hardwall-Filon

- One-piece Rubber Roof
- R-7 Insulation Walls & Floor
- R-18 Insulation In Ceiling
- Northwood Roof Truss System
- High Payload Axles, Tires & Wheels
- Shock Absorbers-all Wheels
- Electric Brakes On All Wheels
- Chrome Wheels, Lug Nuts, Hub Covers
- Stabilizer Jacks
- Heated Fresh Water & Holding Tanks
- Semi-automatic Winterization
- Built-In Black Water Tank Flush

Marine Style Exterior Shower

12 Volt Exterior Lighting at Hitch, Waste Dump & Patio Areas

Slide-Out Pantry (Most Models)

Auto Scanning Satellite Dish (Option Available)

Flat Screen TV (Option Available)

* Generator Start Switch (optional)
* Solar Monitor (optional)

Solar Panels (Option Available)

You can walk our roofs from end to end. They are designed to withstand heavy snow loads and are crowned to shed water quickly. The Northwood 4 1/2" and 5 1/2" crowned roof truss system is glue bonded to 3/8" plywood, not strand board, and sealed with a continuous one-piece heavy gauge laminated rubber membrane. You will appreciate our oversized rain gutters and down spouts that divert water away from the side of the coach. You can also include a generator in Foxes starting with the 22H.

Photos in this brochure contain optional and standard items, and decor items. See dealer for specific information regarding standard equipment and optional features. Photos and drawings are representative of Northwood products and may differ slightly from actual production models. Northwood continually upgrades and improves its products and reserves the right to change specifications without notice. Check with your authorized dealer for update information.
